28<sup>th</sup> June to 5<sup>th</sup> July 2025

## St Jean Retreat Centre

St Jean is a luxury retreat centre set in a lush valley which overlooks the historic, and picturesque hilltop village of Cordes-sur-Ciel. It is in the heart of the beautiful Tarn region in the Midi-Pyrenees. St Jean is stunning, large stone house nestled within landscaped gardens and meadows surrounded by over 150 acres of private hillside woodland. For hundreds of years St Jean was a tiny hamlet at the foot of Cordes-sur-Ciel which has been described as **“one of the most beautiful villages in France”**. It is a magical and beautiful well preserved 13th century medieval town.

The small friendly team at St Jean provides everything needed in the comfort of this rural idyll, while you focus on rejuvenation and relaxation. There is an outdoor heated swimming pool furnished with Moroccan sun loungers. The grounds also include a tennis court, a 10th century chapel, a dedicated yoga studio and outdoor yoga platform.

Your teacher Gillian Cawte

Gillian has practiced yoga since 1999. She undertook her teacher training at The Life Centre in London in 2005 – 2007. A Yin yoga module teacher for British Wheel of Yoga and a Senior Trainer Teacher with Yoga Alliance UK

Over the past 20 years, Gillian has studied with a wide variety of international teachers. Her current teachers, with whom she continues her training with are:

Paul and Suzee Grilley – on whose programmes Gillian has gained over 1500 hours of training and completed their Yin Yoga Level 5 Diploma Teacher Training Course.

Gillian's teaching style incorporates Hatha Yoga with flows and yin. She encourages her students to feel their poses rather than focusing on the aesthetics of the pose. Gillian emphasises how each individual student can respect and tune into their own unique body. She explains how poses are performed and likes her students to be comfortably challenged. Gillian encourages her students to take yoga off their mats and into their daily lives, focusing on Buddhist principles.

Gillian has run fifteen successful yoga retreats in various European countries. She is committed to living with a whole-hearted curiosity to learning and awareness of the nature of suffering.
